ADDENDUM TO DEFENDANT’S EMERGENCY MOTION FOR RELEASE

Comes now Defendant Xizhi Li, by counsel, and augments his Emergency Motion for Release (Doc 183).

As of this morning, Defendant’s family reports that Defendant is coughing blood, experiencing difficulty breathing, and unable to hold food – all presumably a consequence of his Covid infection acquired in confinement. As per his family, Defendant’s only treatment to date has been Motrin.

Defendant requests the Court’s immediate intercession to assure adequate medical care.

Undersigned shall visit Defendant’s place of confinement, the Northern Neck Regional Jail, this afternoon. If the visit reveals that undersigned has overstated the gravity of Defendant’s plight, undersigned will so inform to the Court.

Respectfully Submitted,

XIZHI LI
By Counsel
